Annie!

How's that 24 show huh? I've been planning on e-mailing you ever since the first episode when Palmer got shot!!! I was gonna say CAN YOU BELIEVE HE'S DEAD?!?! HE'S MY MAN!!! MY MAIN MAN!!! I kept not having the time until now. Tell Norma that I miss talking about 24 with her as well, and that one day I'll come in there just for the sole reason to talk about 24 with you girls. But good show last night as always (if you caught it at all). Who do you think that person is that Jack told to put thier hands up in the hotel room from next week's preview??

Hmm... I wonder...

Well, I hope everything else is going well with you and everyone else over there. I just thought I'd drop ya a quick line about 24, and make sure you're still watching it. If not, I'll be a little dissapointed. So I really hope you've been watching.

Anyway tell everyone I said hello for me okay? School's going alright so far, kicking my ass but it's going.

Have a good rest of the week!! :)
